LA Music Academy College of Music Scholarships

The LA Music Academy is pleased to offer merit-based scholarships to its incoming students. Domestic and international students are equally eligible, and student financial status is not a factor. Scholarships are awarded for a period of six quarters, and awards are applied directly and evenly to each quarter's tuition. For example, if an award is \$6,000, the tuition credit per quarter is \$1,000. If a student only completes four quarters, then the remaining \$2,000 of the award is forfeited. In order to maintain their scholarship award from one quarter to the next, scholarship recipients must maintain a minimum GPA (grade point average) of 3.2 in core (non-elective) classes. Students who fall below the 3.2 GPA threshold will be placed on scholarship probation and are permitted one quarter's time to raise their CGPA.

Please note that scholarship awards are valid for only one start date and cannot be deferred. Scholarship recipients who defer their attendance to a future start date must submit a scholarship application for their new start date.
